# Seth Moulton: His Fight is for Our Shared Values

Democrat Seth Moulton served four tours in Iraq. He knows what it takes to fight for a cause, and he never backs down.

He believes we need a representative in Congress who will stand up for our values in Washington and keep the extremists at bay.

As a platoon commander, Moulton always ate last, after his platoon. He wants Congress to have the same ethic. That means if the government gets shut down, Congress doesn't get paid - no excuses.

**That's what Seth Moulton stands for.  
Fighting for us. Delivering real results.**

## THE MOULTON AGENDA

- ◆ **Make Congress Accountable.** If the government shuts down, Congress should not get paid.
- ◆ **Take Care of Our Veterans** and recognize that a new generation of veterans can help get our country back on track.
- ◆ **Make Our Communities Safer** by requiring mandatory criminal background checks on all gun purchases. No excuses.
- ◆ **Protect Social Security and Medicare** by opposing privatization efforts and honoring our commitment to our seniors.
- ◆ **Protect a Woman's Right to Choose** and demand equal pay for equal work.

**SETH MOULTON FOR CONGRESS.
