“MY SON WAS SHOT AND KILLED. GOVERNOR CORBETT HAS STAYED SILENT.”

-Wynona Harper
GOVERNOR CORBETT CALLED UNIVERSAL BACKGROUND CHECKS “RADICAL”

No matter who is selling the gun or what type of gun it is, a background check makes sense. Background checks keep criminals, the mentally ill and domestic abusers from obtaining dangerous weapons, but Governor Corbett called this a “radical agenda”. (Politics PA Aug. 28, 2014)

GOVERNOR CORBETT HAS TAKEN NO ACTION ON MANDATORY REPORTING OF LOST AND STOLEN GUNS.

It’s common sense. When a gun is lost or stolen it should immediately be reported to local authorities. Governor Corbett has not acted to encourage adoption of a statewide reporting requirement.

GOVERNOR CORBETT EVEN WANTS TO PUNISH TOWNS AND CITIES FOR PROTECTING THEIR CITIZENS.

Governor Corbett supports giving special status to extremist groups to sue towns and cities over gun ordinances they disagree with. This bill could bankrupt our towns and cities by forcing them to foot the bill for lawsuits from the NRA, or any other group that decides to file a lawsuit. Governor Corbett said he would sign it if it reached his desk. (Bloomberg News Oct 6, 2014)

Governor Corbett has failed to work with us to stop senseless gun violence.
